

APPLIED NONVIOLENCE

Dr. John Carlarne
M 2:15 PM – 5:00 PM
Room 016, Dulles Hall
Class #: 29865
Credits: 3

Working as a team we will select candidate countries for nonviolent transition. We will then apply the principles, concepts and practices of nonviolence within a notional setting in order to explore the strengths and limitations of nonviolence as a method for effecting long-term change within specific regimes.

Prerequisites: Sophomore standing or higher.
