Major requirements for students who started at OSU SU22 & before.

Students choosing a major in ***Middle East Studies*** are interested in careers in business, local, state and federal government, and non-profit. This major requires completion of a minimum of two years of language study. Coursework completed at OSU or abroad and/or appropriate placement test results can document this.

For those opting to complete two years in a single language at OSU, after completing 1101, 1102, 1103, you must complete one advanced language course in that language (see list on right).
